Come un'architettura trasparente ed aerea, il tavolo Valencia crea inediti effetti visivi, attraverso l'abbinamento fra la base in cristallo e il piano in diversi materiali e finiture. Un'idea che dà forma a molteplici possibilità, sempre con un design inconfondibile.

Thanks to its transparent and aerial architecture the Valencia dining table creates original visual effects through the combination of the glass base and the top available in different materials and finishes. An idea that shapes infinite possibilities, always with a unique design.
